Dear Parent,

Greetings to you!

The school will be hosting **TIRANGAA 2019**, an interschool competition in the School Campus, on Friday 30th August 2019. This is one of the major events of Pearson and many schools will be participating in the competition. All the teachers will have various responsibilities to handle on that day. Hence, students of grades Nursery to X will have a holiday, on this day. The participants and volunteers will be informed through a separate circular.

Looking forward to your support and co-operation,

Best regards,

Best
