Notification: Summer Internship Courses in Psychology for School Students

Dear Parents,

Greetings of the Day!

Learning life skills and psychology helps young learners to understand their own behaviour, emotions and ideas. Studying the principles of psychology allow them to assess, evaluate and provide solutions to all unwanted emotional situations.

Our institution is recommending all our learners of **Grade 6 to 10** to register and participate in a series of online workshop on psychology courses which will be delivered by the young psychologists of Fortis School Mental Health Program under the aegis of Dr. Samir Parikh.

The workshop will be happening between May 17th -23rd 2021.

Details of two recommended course modules are;

1. Prosocial Peer Moderator Series;

Proposed for: Grade 6 to Grade 10
Duration: 60 min session followed by Q&A
Date: 17th -22nd May 2021

A six module online life skill training series on:

- a) Aggression management
- b) Gender sensitisation
- c) Risk behaviour management
- d) Media Literacy
- e) Study and exam skills
- f) Caring for the environment

2. Bully to Buddy Program.

Proposed for: Grade 6 to Grade 10
Duration: 60 min session followed by Q&A
Date: 23rd May 2021

This session advocates students against cyberbullying by building awareness about this problem and empowering them using our ABCDE approach. The broad scope of the webinar will include:

- a) Understanding Cyberbullying: What, why and who?
- b) Unique concerns to cyberbullying
- c) Information about the 360 degree impacts of cyberbullying
- d) Empowering the youth using the ABCDE approach. This is a comprehensive look at encouraging the youth to advocate against cyberbullying, become up standers who offer support, critically evaluate media messages, understand the sensitivity in use of language and collectively engage in positive use of social media.
- e) Role of individuals, from digital detoxing to being a positive role model.

With Warm Regards,

Principal
Ryan Edunation School
