

Cir/ 47 / 21-22

Date: 26/10/21

Dear Parent,  
Greetings to you!

We are delighted to invite you to embark on an exciting journey of learning, growth and upskilling through our Model United Nations initiative! A 2-hour orientation organized by Edunation and conducted by Skillsphere will induct you into the exciting and fun world of MUNs! This orientation will be conducted on Zoom platform and is for all students of grades VII to X. We request you to be part of the orientation along with your ward.

**Model United Nations conferences** or MUNs are simulations similar to those that take place at actual UN assemblies. MUNs **create and spread awareness about global issues**, as students represent various countries from across the world during the conference. This exercise helps build leadership skills and paves the way for the **development of other 21st century skills such as diplomacy, critical thinking, analytical thinking, creativity and communication, problem-solving, reasoning, public speaking**, and so on.
