Dear Parents

Greetings of the Day!

We at Ryan Edunation School Jaipur are committed for Health and Safety of everyone associated with us and we always work towards ensuring it.

We are genuinely considering the concerns shared by parents and hence providing a solution and will review it in the next two to three weeks again. After deliberate discussions school management has decided to initiate the Hybrid teaching mode again i.e. the online /offline classes will go on simultaneously.

From 29th November 2021, our educators will conduct classes from school itself in the hybrid mode for the students physically present in school and the same will be viewed by students in online classes at their remote location/home.

Kindly fill the attached google form specifying your ward's selected mode of learning and to specify if you want to avail/continue transport (Transport fees will remain as it is)

Caution: If you are preferring online mode then please ensure your ward takes all the classes for the day and the H.W. and NOTEBOOK Work is completed and submitted on time. Please get into a call with class teacher once a week (confirm time slot by messaging her a day prior).

Physical classes will be conducted from Monday to Friday, 9:00 am to 2:00 pm (For all classes I to X) and Saturday from 9:00-12:30 pm (classes IV-X).

Revised time table according to hybrid classes will be shared with students in their respective class groups.

Regards
