

## RYAN EDUNATION SCHOOL JAIPUR

SESSION 2023-24

CIR/ 24/ 23-24

DATE: 02-11-23

Dear Colleagues,

Greetings to Everyone.

“The continued pursuit of gaining knowledge is the lifelong process of learning and expanding one's understanding of the world”.

As our school grows and we are able to reach out to and care for more students across the city of Jaipur, it is time to streamline our academic processes and review mechanisms in order to ensure a better teaching-learning experience for our students and structured growth for our staff. I am happy to announce that for the Academic Year 2023-24, we have created a well-defined academic leadership structure to ensure optimal academic outcomes for our students.

Ms Mona Sharma and Ms Vandita Bhatnagar will continue to collaborate and work with teachers of Nursery to Grade II and Grade III to Grade VI respectively to ensure academic quality. Our newest member Ms Shikha Bhatnagar who has joined as the Coordinator will do so for Grade VII to X. Their responsibilities include ensuring and implementing curriculum, managing assessment, and supporting teachers and students with the morning assemblies, special assemblies, house activities and club activities for their allotted grades. In case of activities that overlap across grades, the respective leads will collaborate and work cohesively to ensure effective execution of the programmes.

All three teachers will report to me with respect to discharge of their respective responsibilities. I am confident that as RES Jaipur moves forward towards greater success and becoming the No. 1 school in Jaipur, I look forward to each teacher contributing and cooperating with the leads to ensure academic excellence for our students.

Sincerely,
