

Ryan Education School, Jaipur

Circular no/ 05 / 24-25

Date: 26/07/2024

Dear Parents/Guardians,

We are pleased to announce the launch of our school's **"Green Earth – Green Future"** plantation campaign, aimed at nurturing a greener and more sustainable environment for our children. Our vision is to empower the next generation to become responsible stewards of Mother Earth and Mother Nature.

The First phase of this noble initiative has been scheduled for 3rd August, 2024 wherein we plan to plant 100 trees. This is just the beginning of our journey towards a greener tomorrow. Our ultimate goal is to plant 300 trees and plants in the school surroundings, providing a healthier and more beautiful environment for our children to learn and grow.

The objectives of this campaign are:

- To create a green oasis in our school, promoting a sense of responsibility towards the environment
- To educate our children about the importance of conservation and sustainability
- To involve our students in hands-on learning experiences, fostering a deeper connection with nature

We invite you to join us in this noble endeavor by contributing to our crowd funding campaign. Your support will help us cover the costs of plants, soil, tools, and maintenance. Every contribution counts, and we have set the following targets:

- ₹300: Helps us plant 6 trees
- ₹500: Contributes to the soil and tools needed for planting
- ₹1000: Supports the maintenance of our green space for a year

Additionally, we are seeking support for 50 tree guards to protect the trees planted outside the school premises. These tree guards offer a unique opportunity for branding and visibility for your company. Tree guard sponsorship: ₹2,000 each (includes branding and visibility)

By being an active member of this campaign, you will not only be contributing to a greener environment but also instilling values of environmental responsibility in our children. Let us work together to create a better future for our next generation.

Join us on 3rd August as we take the first step towards a greener tomorrow!

Looking forward for your kind support.

Best regards,
Ryan Education School Jaipur
