Exciting Opportunity for Students!

Dear Students,

Get ready to embark on a journey into the future with the **Future Tech Olympiad 3.0!** This competition is conducted by CBSE. It's your chance to explore advanced technologies like AI, AR, VR, Block chain, and IoT, and showcase your skills and knowledge.

Exam Details:

- The exam can be taken from the comfort of your home or at school. (MCQ) - Complete any two suggested courses on IBM Skills build before the main Olympiad exam. - It includes multiple-choice questions, practical project-based challenges, and interactive problem solving tasks.
- **Exam Date:** 8th Jan 2025

Additional Information:

- **Completely Free:** Yes, you heard it right! There's no registration fee.
- As a prerequisite to participate, all participating students must complete learning paths on the IBM Skillsbuild platform, before the Olympiad to equip themselves with the necessary knowledge and skills to excel in the competition.
