Dear Parent,

Greetings to you!

As shared earlier the school will be hosting **TIRANGAA 2022**, an Interschool competition in the School Campus, on Saturday 27th August 2022. This is one of the major events of Ryan Edunation School as many schools will be participating in the competition. We are glad to share that the participant of Tirangaa-2022 will have the exposure of interacting with close to about 600 students this year. Keeping the preparations time required for this humongous event before and after the event. We request the parent to note the following.

All the teachers will have various responsibilities to handle on that day. Hence, students of grades Nursery to X will have a **holiday, on 27th August 2022 (Saturday)**. The participants and volunteers will be informed through a separate circular. On **26th August 2022 (Friday) the school will observe a half day** i.e. the children will depart at **12:00 noon** to ensure the School is ready for the event.

Looking forward to your support and co-operation, without which this extravagant event of pure exposure to children wouldn't be possible

Best regards,

From Ryan Edunation School Jaipur
