### **FROM THE PRINCIPAL'S DESK**

Greetings to all our dear parents and students!

For us at Pearson, every child is important, special and unique in their own way. We nourish and nurture these saplings so as to enable them to grow and bloom and spread their fragrance worldwide.

"While we try to teach our Children all about life, Our children teach us what life is all about".

HAPPY CHILDREN'S DAY

**OPEN HOUSE AND EXHIBITION** - "When parents and teachers work together, everyone wins" - Julia Thompson

On 4<sup>th</sup> November 2017, the Term-I Result Open House was held where the students got the fruitful result of their hard work and efforts in the half-yearly examination.

A Robotics and Visual Art exhibition was also organized to showcase the talent and creativity of the students in front of Family and friends. It proved the words of Pablo Picasso to be aptly true that "Every child is an artist".

The students of Visual Art club showcased their work through this exhibition. The junior group i.e. Grade I to IV displayed various

objects like Stone/Pebble art, Pen/pencil holder, Masks, Pencil shading drawings etc. The senior group i.e. Grade V to VIII display included- Block printing, Paper mache, Warli art etc.

The students of Grade III to VIII participated enthusiastically in the robotics exhibition. The students of Grade III presented a treasure hunt model to collect nuts and bolts in a specified time. Students of grade IV and VI showed a football match model. Students of Grade V had a robo race event in which the model moved without touching any obstacle. Students of Grade VII displayed a line tracer model where the robot moved whenever there is any white path otherwise it stops. Grade VIII created an obstacle detector model which changed its path whenever it came across any obstacle.

"Images are the windows to our memories"- to cherish the memories of their child's life, there was a selfie corner put up for parents and students.

**SPECIAL ASSEMBLY ON CHILDREN DAYS (BY TEACHERS)** - 'Children are like buds in a garden and should be carefully and lovingly nurtured, as they are the future of the nation and the citizens of tomorrow'.

Before talking about the actual celebrations, it is of utmost importance that we understand why the day is so much more than a mere occasion to have fun. The day marks the birth anniversary of Pandit Jawaharlal Nehru, the first prime minister of India. Born on November 14, 1889, Jawaharlal Nehru was fondly known as Cha-cha Nehru amongst children. He cherished children and had them very close to his heart. Where ever he went he always sought them and interacted with them. His fondness and love for children were so widely appreciated that his birth date began to be commemorated as National Children's Day or Bal Diwas in India.

The teachers and students at Pearson School celebrated Children's through a Special Assembly presented by the teachers followed by games in which the both the teachers and students participated.

The assembly presented by teachers had them performing a dance number which completely captivated the students. They also presented songs conveying their deep love for their students. The students felt overwhelmed with the entire effort. Later in the
