Principal, Pearson School

FROM THE PRINCIPAL'S DESK

Greetings to all our dear parents and students!

Today we live in a free country and are able to provide for our children a free and healthy environment.

Though this freedom has come to us at a very heavy price. It is our duty to inculcate in our children the love for our motherland as well as imbibe in them values of sacrifice and service to mankind. Let's take a pledge to ensure that we as educators will keep on guiding our learners to incorporate these values and sustain them for the times to come...

PROGRAMMES AT SCHOOL

FIRST PERIODIC TEST - The first periodic test was conducted from 1st Aug 2017 to 8th August 2017. It was conducted to test the knowledge and performance of the students.

ORANGE DAY - Life without colour would be no life at all. Introducing the little ones to colour is an activity which aims to develop an understanding on the concept of colour. The "Orange Day" was organized for the students of pre-primary on 11th August 2017. The classrooms were embellished in orange using various objects reflecting the colour orange. The children also brought various objects from home as it helps to reinforce the concept. At school they did colouring and craft activities, making that day more interesting and memorable. They students were also given information on the upcoming Independence Day of India.

Grade - (IX)

JANMASHTAMI CELEBRATION - Children are the most important and valuable part of God's kingdom. The birthday of Lord Krishna, was organized by the students of Pre-Primary on 14th August 2017. Children came dressed as 'Krishna' and 'Radha'. Children enthralled the audience through a dance depicting the divine love of Radha and Krishna. The venue was decorated beautifully to make this event more colourful. The

senior students sang melodious bhajans evoking devotional and spiritual feelings amongst the audience.

Grade – IX

INDEPENDENCE DAY CELEBRATIONS - We celebrate Independence Day on 15th August 2017 every year as on this day we became free in the year 1947 after 190 years of British rule. It is celebrated so that we understand the importance of this day in our life and to pay respect to the people who sacrificed their life for our independence. We celebrated this auspicious day in a small and simple ceremony held in the school grounds. The day started with the hoisting of national flag and the students and staff saluted the national flag and sang the national anthem. Then the school choir sang patriotic songs kindling the feelings of patriotism for our motherland. Next the student of the performing arts club gave a scintillating and mesmerizing dance performance. A few students were called by the Principal to present their views and understanding of the importance of Independence Day. The students were sent home with sweets.

Grade - IX

GANESH CHATURTHI - Ganesh Chaturthi also known as Vinayaka Chaturthi is one of the important Indian festivals. This day celebrates the birthday of Lord Ganesh. On the 24th August a special assembly was conducted by the students of Grade VII. The girls sang the Ganesh aarti followed by a speech by Mansi marking the importance of Ganesh Chaturthi.

-Charmy Verma
Grade -IX

OPEN HOUSE - An open House was conducted on 26th August 2017 for the students of grades I-IX for the declaration of the

PT 1 result. The aim was to share and provide inputs to the parents on the performance of their wards as well as to build a strong partnership between the school and the parent.

STUDENT CREATIVE CORNER

INDEPENDENCE DAY (ARTICLE) - India has always been hailed as one of the most prominent countries. It has been praised for its unique people from different religions, regions and ethnicities that make it earn the phrase of 'Unity in Diversity'. Apart from that it is developing continuously and steadily in the field of technology, science and literature. As per my experience, this country satisfies the soul of every person. India has the power of standing high in the world as it is a clubbed single version of multiple ends. In fact, India is the largest democracy in the world. Various fundamental rights have been given to all citizens of India. Various big initiatives like Digital India, Swachh Bharat etc. have been initiated. India is our motherland; it is our duty to put in day-to-day efforts for the upliftment and development of our country. So, let's take this day to think about our past and resolve to build a better future for our country. Let's salute the great men and women who made this day possible. Happy Independence Day. Jai Hind!

Grade -IX

A SPARROW'S WORDS -

"Let's cut this", a voice was heard from below the tree,
Where I lived, in my nest, for years, worry free.
They've cut them all, to make for them; I am left with none,
I lost my house and set to fly, to find another one.

Tired of search of so many days, I felt severe thirst,
Can't find a pond here, for water, should pay first.
Days are hot, in scorching sun, no where it is cool,
When the poor die of thirst, the rich will swim in pool.

Racing cars are common here; they are just for fun,
But with their exhaust, the air I breathe is full of poison,
I flew for long, far away, reached a paddy field,
Ate a grain, sprayed with drugs, it ate my immune shield.

Not so far I saw a hill, felt happy with the scene,
Went near found garbage, and a heap of polythene.
You say, you have the sixth sense, but live in illusion,
Always strive for development, but neglect pollution.

Born in this world, I'm sure, to live here is my right,
But how to tell all of you, what you do isn't right
There I see a gathering; I can hear what they say,
Someone got an award, on "World environment day"
