# SCHOOL Connect

September - October 2019  
Pre-primary

## FROM THE PRINCIPAL'S DESK

**Mr. Anurag Sharma**  
Principal,  
Ryan Education School  
Jaipur

Dear Parents,  
Greetings to you!

Welcome to the world of learning:

*"I hear and I forget. I see and I remember. I do and I understand."* - Confucius

Going by the same philosophy, we at Pearson School Jaipur believes that a child can learn best when he/she himself/herself attempts something and this was the reason for a variety of academic activities planned during the month of September-October. It indeed was a truly colourful and creative tenure as during these days though children had their half yearly examination but the same could not deter their zeal to participate in events like inter house Hindi declamation/debate/recitation competitions. Children of primary classes witnessed the flora and fauna at the Biological Park in Jaipur; they also spread awareness about "World Heart Day" and "National Girl Child Day" through special assemblies. On the day of open house children tried to display to the parents a glimpse of their day-to-day learning by creating exhibits of innovation lab/ yardstick & English language concepts.

These two months also witnessed various creative competitions like Rangoli making competitions, Diya decoration event, Celebration of teacher's day. The atmosphere inside the school is so vibrant that words will fall short to describe the happiness on the faces, the joy of learning, the feeling of working in team or simply celebrating childhood and hence these memoirs through "School-connect" are created to provide glimpses of the months gone by.

*"Some moments are nice, some are nicer, some are even worth writing about."* - Charles Bukowski

### EDITORIAL COMMITTEE:

Ms. Ritu Chaturvedi (Co-ordinator)

Ms. Mona Sharma (Pre-primary Teacher)

Ms. Geetika Bansal (Pre-primary Teacher)

## Quote of the Month

*“Don't wait for the perfect moment, take a moment and make it perfect.”*

## ACADEMIC ACTIVITIES

### FIELD TRIP TO SUPERMARKET

Real life experiences add to classroom learning. Our little learners of KG 1 and KG 2 were taken to a supermarket on 28<sup>th</sup> and 29<sup>th</sup> of August to give them an overview of day to day items and essentials.

Students explored a range of groceries, modes of payment and got a basic understanding of the functioning of a supermarket.

### SHOW AND TELL ACTIVITY - 12<sup>TH</sup> SEPTEMBER 2019

**Objective:** To improve English speaking and confidence.

Students of grade KG 2 were shown class objects and were asked to speak a few lines on the same. This helped the young learners to acquaint about the various class objects, their importance and their uses in daily class activities. The students enjoyed displaying the class objects and speaking on the same.

## DO AKSHAR KE SHABD - 20<sup>TH</sup> SEPTEMBER 2019

**Objective:** To make the learners understand how to join two vyanjan to make two letter words.

# बस

Students of KG2 were provided with vyanjan cut outs and were asked to join them and create two letter words.

Following the instructions, children picked up the cut outs and joined them to make two letter words. Saying the word aloud brought a smile on their faces.

## MATCHING OBJECTS TO LETTERS - 24<sup>TH</sup> SEPTEMBER 2019

**Objective:** To recognize the lower case/ upper case letters and match to the respective object.

Students of KG 1 were provided with concrete objects available in the class and letter cards. They were asked to pick up any object of their choice and pick up the letter card it begins with. Children could match the object with the respective letter card. Few children sought support which was provided by the teachers. It was a fruitful activity and the children enjoyed learning in a play way method.

## LEARNING THE SHAPE CIRCLE - 25<sup>TH</sup> SEPTEMBER 2019

**Objective:** To identify circular objects and learn the concept of circle.

The students were taught the concept of the shape-circle. Circle shaped objects were shown to the learners. Later they were asked to identify the circular objects present in the classroom. Students were engaged in a sparkle colour activity.

activity. Students thoroughly enjoyed the activity and learned the concept of the shape-circle.

### GRANDPARENTS DAY - 4<sup>TH</sup> October 2019

**Objective:** To honor grandparents, to give them the opportunity to show love for their grandchildren and develop strong relationships.

Age is a matter of feeling, not of years.

A tree cannot hold itself for long, if its roots are not deep and strong. The grandparents form the firm roots of the family tree.

To celebrate this day our Pearson Kindergarten family celebrated Grandparents Day where every child performed a group dance to make their grandparents special starting from Tilak and welcome Dance; then small dance performance by the tiny tots. Children with their grandparents rocked the dance floor and then grandparents energized themselves by playing a very interesting game.

Towards the end, the children handed over a token of love to the grandparents. Grandparents enjoyed and had a great time with their grandchildren.

### QUANTIFICATION NUMBERS 1-35 - 14<sup>TH</sup> OCTOBER 2019

**Objective:** To make identifying and quantifying of numbers (1-35) fun.

Mathematics is usually a monster for everyone but the students of KG 1 tamed the scary monster of numbers with fun. They learnt to quantify numbers with clouds and raindrops. They coloured the clouds and made thumb impressions on the raindrops quantifying numbers 1-35. Students enjoyed the activity so much that numbers turned out to be friends rather than foes.

## OPEN HOUSE

This meeting helps the child in learning goals and understanding them more clearly, develops communication and helping discover different ways for supporting child. Also, helps in building a sense of connection to school and teacher that can add value to their future results.

This meeting helped parents to understand their wards through different areas and rubrics as per the report cards. Report cards are designed with various rubrics such as communication, writing, and reading skills, motor development, social and emotional development, work habits and cognitive development.

Grades were given through teacher's observation and so displayed to the parents.

## DECORATING DIYA WITH GLITTER POWDER - 22<sup>ND</sup> OCT 2019

**Objective:** To get the learners know about the festival of lights "DIWALI"

Festivals have a very significant place in Indian culture. This time around the little angles of Pearson School, Jaipur showcased their idea of Diwali with colours and glitters. Students of KG1 were narrated the story of Deepawali and the reason behind lighting of Diya's. Using their creative planet book, colours, fevicol and glitters, they were asked to colour and decorate the Diya's. The joy and enthusiasm shown by them was beyond words. Making the brightest Diya's with colours of joy.

## DECORATION OF DIYA'S WITH SPARKLE 22<sup>ND</sup> OCT 2019

Diwali- a festival of lights is celebrated with much pomp and show across the country.

Diwali means an “array” of lights “and the festival marks the triumph of good over evil. Diwali is the biggest and the largest of all Hindu festivals.

The Nursery section of Pearson Jaipur celebrated Diwali in their own way. They were narrated the story behind Diwali and the importance of the festival. It was followed by making of colorful diyas and decorating them with the brightest colours and the shiniest sparkles. The joy in the eyes of these angels was unmissable. The fun, energy and the deep rooted belief in our culture and values got an honest reflection in them.

### **CARD MAKING WITH PAPER AND CLAY - 22<sup>ND</sup> OCT 2019**

Students of grade KG 2 made cards for their parents on occasion of Diwali -the festival of lights. Students passed the flame (made up of handmade paper) to diya, they were very happy to make the stand of diya with the help of clay. It was a fabulous activity.

Safety tips for Diwali was also given to students.

### **ASSEMBLIES**

Students of pre-primary assemble every morning to enhance and develop understanding of assemblies. This month children the students engaged in activities that would help them develop leadership qualities.

Students took charge of conducting certain aspects of the assembly.

KG2 conducted Gayatri Mantra, School Song and pledge.

KG1 recited rhymes on Maths numbers and Phonics.

Prayer makes the heart transparent and so children along with their teachers connected themselves through prayer and rhymes.

The check of nails, shoes and uniform of every child by the teachers was an effort to make the learners understand the importance of turning out smartly in proper school uniform and being well groomed.

## SPECIAL ASSEMBLIES

This month tiny tots of Nursery also assembled with the pre-primary group.

The topic of the assembly was how to celebrate festivals safely. Children and youth look eagerly forward to the arrivals of the festivals. But, improper handling and playing with fireworks, may ruin the celebration.

To make aware about the do's and don'ts teachers shared some points and displayed pluck cards. Always be with parents while using fireworks.

## HSCP

### POCSO TRAINING

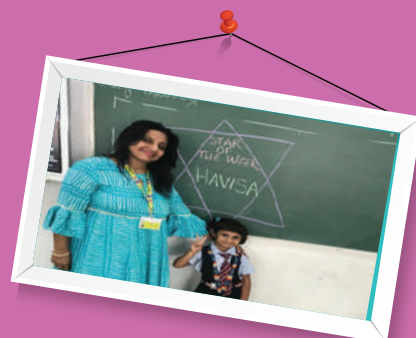

Child protection is defined as the protection of children from violence, abuse, exploitation, sexual harassment and neglecting behavior.

To strengthen the reorganization of diverse child protection policies and safety issues such as- corporal punishment, child abuse and POCSO Act., Pearson school had organized a refresher workshop for the staff on 28<sup>th</sup> Sept 2019.

This refresher workshop was jointly conducted by school administrator Ms. Pratibha Rathore and leading Psychologist Dr. Vandana Choudhary.

## STAR OF THE WEEK

Star of the week is an initiative to make every child feel special and celebrate his uniqueness. Every week, a student is designated as "Star of the Week". The student's parents visit the school and interact with other students of the class. They share information and anecdotes about their child and hear about their child from his classmates. Apart from creating healthy self-esteem, this activity also facilitates a strong home-school partnership. The stars of the weeks this month were Aanya Mittal, Preesha Gupta and Aadya Raina of grade Nursery, Devanshi Bhardwaj, Shaivi Jain, Vidhijain and akshita Mishra of grade KG 1-A, Havisa Charan and Onish Dwivedi of grade KG 1-B, Aniket Soni, Jigyansh Bijarnia, Hardik Sharma, Ananya Choudhary and Prarambha Gupta of Grade KG 2-A, Mihit Madhukar and Samar Pratap Singh of Grade KG 2-B.

## TEACHER'S CORNER

All parents want their children to grow up healthy, physically fit and happy but due to increased access to technology and perhaps the fear of parents to let their child wander, more and more children go out less as compared to the olden days.

A lot of children stay indoors playing video games, watching TV or are hooked to the smart phones. Looking at the current situation one of the greatest gifts parents can give to children is to encourage them to play outdoors. Being outdoors is surely wonderful.

Children get an opportunity to freely explore, wander and interact with other children. These are self-expression acts that are usually restricted in an indoor environment.

“LET NATURE BE YOUR TEACHER”- William Wordsworth  
HAPPY PARENTING.

**Avneet Jagsia**  
(Pre-Primary teacher)

## PARENT CORNER

I would like to thank the school for giving an opportunity for me to share my views about school. It's such an honour.

I would like to share a few aspects regarding the school.

**School-** The premises is big and suitable as per the requirement. Building is well constructed and maintained. Ground for assembly and games is sufficient.

**Teachers:** - No doubt teachers are doing well. We can see the dedication. Way of teaching and learning is also good and my child is gaining suitable knowledge and skills. Class teacher and coordinator are passionate and do their duty with full enthusiasm.

**Safety and security-** We are relaxed with it as school have proper maintained guards as well as dedicated care takers (aunty).

In conclusion we feel satisfactory environment.

**Regards**  
**Neha Mohit Jian**  
Guardian of Vidhan Kotia (KG 1)
