“Together may we give our children the roots to grow and the wings to fly?”

Dear Parents,

Greetings!

We at Pearson believe that teaching kids to count is fine but teaching them what counts is the best. And it is our partnership that counts to bring young learners to a state where they start enjoying and loving their school premises and teachers as much as they love their home and parents. Hence to make our kids comfortable yet again and to acquaint parents with the school ecosystem, we have planned another settling down activity for Nursery in the coming week. We request the mothers of these young angels to participate with full zeal and vigour to make it a lifelong memorable week. The details of the activities are as under:

ACTIVITY: COLLABORATE TO ACCLIMATE
