Dear Parents,

Greetings for the day!!

At Pearson, it's our constant endeavour to help our learners. 'Assessment of Scholastic Skills through Educational Testing' (ASSET) is one such way to measure a student's knowledge and skills. It is a scientifically designed, skill-based assessment test. Rather than testing rote learning, it uses multiple-choice questions to focus on measuring how well SKILLS and CONCEPTS underlying the schools' syllabus have been understood by the student. The test provides feedback on real learning and on the strengths and weaknesses of individual students and also, the entire class.

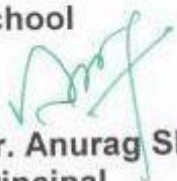

We are sharing with you the 2019-20 assessment schedules of English, Science and Math.

<b>Subject</b>	<b>Date</b>	<b>Grade</b>
ASSET ENGLISH	<b>August 05, 2019</b>	5 to 8
ASSET MATHS	<b>August 07, 2019</b>	5 to 8
ASSET SCIENCE	<b>August 09, 2019</b>	5 to 8

**Note:** This diagnostic exam is for all the students of grades V to VIII. No preparation is required for this assessment as it tests the existing level of knowledge of the learner.

Best  
regards,
