**Greetings of the day !**

In our quest to keep the learners' interest intact and to strike a balance in their learning outcomes with their online schedules the Ryan Edunation School Jaipur is continuously working to enhance the same. We wish to not only accommodate government guidelines but also wish that a learner's interest is safeguarded. Keeping the same in mind we are rolling out the new time table for the school.

Our team has worked sincerely to ensure that online study time and monitored syllabus coverage should have a balance. For the same the online and offline classes has been synchronized in the manner, which will not hamper the learning process of the students.

Let's as partners ensure that our children attend the classes regularly.
